- ▶ **MIN-TEC (Caspian Mineral Processing Co.)** as a subsidiary of Middle East Mineral Processing Eng. Co (in Persian called KANIFARAVAR KHAVARMIANEH) was founded in 2010 and plans to manufacture and supply a wide range of mineral processing equipment based on almost 10 years experiences in design and manufacturing of mineral processing equipment. MIN-TEC is looking for well-known partners to prepare best services for the customers.
- ▶ The MIN-TEC founders have transmitted all their experiences in supplying and manufacturing of mineral processing equipment is trying to shape an expert group to supply a perfect range of equipment and services for projects owners.
- ▶ By early 2013, new shareholders have bought MIN-TEC and this company has divorced from KANIFARAVAR KHAVARMIANEH and joined to KIMIA MACHINE. MINTEC plans to develop knowledge and abilities for new technologies to supply equipment and special engineering services.
- ▶ MIN-TEC will provide procurement and supply services for mineral processing equipment, material handling, vibratory equipment, and crushing, grinding, slurry handling systems and dewatering solutions based on many years managers experiences.
